

Year 5 Clarinet

Lesson 2

Mrs Gullick has put together a series of short films that you may wish to share with the Year 5 classes that were learning the Clarinet in our whole class sessions.

Your child was having a Clarinet lesson in school once a week. Although they are not able to play the instrument as it is in school, there are still things they can do to help get better at music.

Here is week two for your children to take a look at:

Here are some songs from one of our DPA teachers Mr C:

Why not try learning a song with a harmony part with one of our vocal teachers:

Have fun!

During school closure DPA are offering online lessons for existing students that we teach individually or in small groups, [click here](#) to enrol for these lessons.

DPA have also created a [YouTube](#) channel where you can find all sorts of videos that staff have made for children. There are songs to sing for young children through to detailed master classes for advanced students.
